About Citywatch

Citywatch Security Services Limited is a fast growing company with experience in providing manned security services.

We offer bespoke security solutions to our diverse range of clients in and around London, so we are positioned to tailor our service to meet your needs.

We are ISO 9001 accredited by independent assessment, a reward for our first class management system.

All our officers are well trained, SIA licenced, insured and vetted to BS 7858 standard.

With us, it is EFFECTIVE SERVICES, NO EXCUSES

Our Services

- Manned Guarding
- Access Control
- Asset Protection
- Gate-House Duties
- Vacant Property Security
- Construction Site Security

All our officers receive specialist on site training. More than simply providing a security presence on your site, our guards can look after keys, sign in visitors, carry out patrols and conduct on-the-spot searches as required. They will integrate and be part of your team, ensuring a secure and friendly working environment.

Why Choose Us

Competitive Rate. Our highly commendable services are competitively priced thanks to our operational efficiency which results in cost savings for many of our clients.

We are committed to local communities. We give priority to engaging appropriately trained local officers to work at local sites. This goes some way in **helping our client fulfil their CSR commitments.**

Our officers offer **value added services.** They provide reports of defects found during patrols; supervise contractors where appropriate; or carry out basic maintenance tasks. We will do these and more.

We provide **FREE Fire Risk Assessment** (on request, for new client only). This way, we help our clients comply with a legal requirement in force since 2006 for all non-domestic premises. Citywatch will survey your premises thoroughly for risk of fire and issue a report within 60 hours, so that you can implement and maintain a fire management plan. **ONLY at Citywatch!**

Our **trained and committed officers** work with your organisation embracing your culture. **We aim to be partners to your organisation.** Our officers wear clean uniform; are punctual; show professional attitude while maintaining safety on your premises.

We have a **lead time of 90 minutes to deploy** our officers to your site. Your site will be covered 24 hours a day, 7 days a week, even in an emergency.

Our **24/7 control room supports** our clients round the clock. When you need practical support from real people, not machines.
